Paradise Valley Food Bank

Dear Gail Marks,

I would like to thank you and all of your staff for their due diligence in providing the extra baked goods to single-parent family relief program run by Phoenix Elks 335.

Your generosity has made a great difference to the families in our program. It is my hope that the relationship can continue during the next year. Phoenix Lodge 335 has again obtained a grant that will ensure continued success in the single-parent family relief program. Once again during the next year we will be able to provide a box of food and serve them with breakfast to the parents and children on the first Saturday of each month. In addition to the food box and breakfast we will once again provide a short educational program for the benefit of all in attendance.

It is my desire that we can continue our relationship with your food bank. Each month when we purchase our foodstuffs we also provide fresh produce. If we do not hand out all of the fresh produce it is our intention to bring that extra produce to your facility for distribution by you.

Once again I would like to thank you for your kind gifts of baked goods.

Sincerely,

A handwritten signature in black ink that reads "Bob Rapps".
