Dear PV Emergency Food Bank,

We wanted to take a moment and thank you for the consistent and healthy snacks that you offer our families to hold them over for the weekend. We are proud to have this resource available to our students and can't thank you enough for watching out for the health and wellbeing of our community.

Wishing you a wonderful school year and please enjoy the handwritten notes from our parents and their children.

Sincerely,

Cindy Selvaggio Schmidt, LMSW
AHES School Social Worker
