

Dear

10-26-15

Just a note to thank you  
for all of the work you do to make the  
backpack food program and the crackers  
and juice available for our students.

The weekend food is greatly appreciated  
by families and students not only enjoy  
the food, but knew that someone cares  
for them. I am so thankful that we  
can serve our students and their families  
in this way! Sincerely,  
Sharon Denny, MSW  
Dept of Social Work

Thank you for the bag of  
goodies you provide for my son  
it really helps him to  
eat on weekends.

Thank you  
God<sup>pl</sup> bless you.

He really  
likes the  
Cereal & Apple Juice  
& chocolate milk.

Thank you
